Our job ? Provide all the know-how, coordinate the actions of all those involved to ensure a successful and unique party or event, allowing you for example to:

GREET guests in a luxury hotel, a charming auberge, a private villa, a castle, historic gardens, a privatised nightclub, a teepee, even an airport ...

SHARE a personalised dinner: food truck, giant platters to apportion, gourmet dishes, exotic cuisine, vegetarian fare, meal on a tray, privatised restaurant...

IMPRESS with the presence of a street artist, a stilt-walker, musicians, Rolls Royce or Renault 2CV chauffeurs, story-tellers or why not with multiple screens, drones

INDULGE your guests with the assistance of yoga teachers, florists, make-up artists, hairdressers, baby-sitters ... Offer the opportunity to experience flyboarding, a free-fall simulator, the possibility to sing on stage, a giant game of Cluedo, an on-site casino...

AMUSE by proposing temporary tattoos, mixology workshops, horse rides, funny bikes, helicopter or hot-air balloon rides ... Or why not consider imitators, tightrope walkers, clowns, holograms ...

With La Boda everything is possible...or almost.
